Club Play

Free Kickoff + six scored Thursdays, fall 2026

For faculty coaches and club sponsors

One answer about adults now. One link forwarded when dates are final.

A district school tells me its current volunteer-badge count; an independent school tells me what coverage its own authority approves. After the one link, there is no recurring work for you. Where school and district policy permit, a student may attend with their own parent, who stays and covers only that student. There is no roster: students sign themselves in at the door and pick the name they want published.

How it works

1

You answer one question about adults

A badge count if you are a district school, your approved arrangement if you are not. You send me nothing about any student

2

You forward one link to your club, once

Anyone in the club submits a number each week, no names and no account. We never come to you for it. Your students play under your school's name in as many whole teams as the numbers allow

3

We run the night and the rotation

Officials, teams, pairings, equipment, cancellations, the coverage schedule, and a Friday report with every one of your students' numbers

If no approved adult is available on a Thursday, your school sends no covered group that week — I will not come back to you to cover it. A student may attend with their own parent only where school and district policy permit.

Every student on a winning team earns one point for their school.

In a scored match: four of yours win together, you get four; one wins on a mixed team, you get one. Two of your teams against outside opponents earn eight between them, and your own two teams playing each other is an exhibition that earns nothing. Standings begin after the first scored night; the Kickoff is unscored.

Dates

September 24	Kickoff. Unrated. Bring any eligible club student who is curious, through an approved coverage route
Oct 1 through Nov 5	Six scored Thursday nights, 6:00 to 7:50, planned at Maclay subject to final facility approval. The Board decides September 3 whether scored play moves to Oct 8 through Nov 12
A Saturday in November	Planned County Championship; venue approval is separate
January 23	A planned tournament on NAQT questions, if the set is bought and the Board approves it
What I need now	The adult answer above. Nothing else until the district replies
