

Leon County
ACADEMIC LEAGUE

Play *other* schools.

THURSDAYS • MACLAY PENDING* • 6:00 TO 7:50

FREE. KICKOFF SEPTEMBER 24

Bring a team if you have one. We will make sure you can play if you don't. You stay with your school whenever possible, and if enough of you come that is two teams from your school. When the numbers don't divide, you join students from another school. Buzzer time in one match either way, and winning a scored match scores for your school.

In an academic club? Come under school-approved adult coverage — or, where school and district policy permit, with your own parent.

Standings begin after the first scored night. Planned fall championship.

TRY ONE

Its name comes from the Greek word for the sun, because astronomers found it in the sun's spectrum before anyone found it on Earth. Name this element that makes balloons float.

WHAT A THURSDAY LOOKS LIKE
